研究院 Faculty

研究院は、平成24年4月に設置された、学長を研究院長とする全学の教員組織である。

研究院は人文科学系、自然科学系、生活環境科学系からなる。各学系に所属する教員は、各人の専門分野を生かして学部・大学院の教育研究を担当し、当該分野の教育研究の発展に寄与するとともに、学部・大学院の枠組みを超えて、多様化・高度化・学際化する人材養成の課題や研究の課題の克服に向けて、的確かつ柔軟に他の分野との連携・協力を推進する。

The Faculty is an organization of all Nara Women's University faculty members, which was established in April 2012. The president of the university serves as Dean of The Faculty.

The Faculty consists of three Divisions: The Division of Humanities and Social Sciences, The Division of Natural Sciences, and The Division of Human Life and Environmental Sciences. The Faculty members who belong to one of these three Divisions carry out, with their expert knowledge, the educational research programs of the undergraduate and the graduate schools, and contribute to the development of their fields of study. All The Faculty members also promote their mutual cooperation appropriately and flexibly, across administrative boundaries, in order to settle issues of human resource development and academic research that require increasingly more diverse, sophisticated, and interdisciplinary approaches.
